Hi Marion,

Glad to help. Here is the link. I think you will need to enter your email.

Just in case.....If ever a link doesn't work, and the person who shared it with you isn't available, you can also find the folders and files shared with you by logging into your OneDrive. This will show you everything that has been shared with you.

Subject: Aldicarb - Request for review of working memos (Q&As and Draft Decision Memo)

Hi Team,

We have created new folder on the OneDrive for the most current working documents for aldicarb (Aldicarb Working Documents 12-23-20). We are hoping that we can get comments from the team on the Q&As and Draft Decision Memo before noon Tuesday (1/5/2021) if possible. While we know these memos are still rough and some things are already noted as needing a second look, we believe we would greatly benefit from team comments, and appreciate any and all that you have to offer. Here is the link:

Let me know if you have any issues with accessing the link.

Thank you!

Debra
